(December 17, 2009, NEW ORLEANS, LA) – The Greater New Orleans Republicans (GNOR) today announced its endorsement for Mayor of New Orleans and Council District A. These endorsements come subsequent last night’s special meeting of the GNOR Board of Directors where all major candidates seeking our endorsement were interviewed. The endorsement list reflects the candidates that the GNOR Board of Directors has determined best represent the organization’s emphasis on principles of honest and efficient government. These following candidates will now have the opportunity to utilize the GNOR’s logo and support for their campaigns:

“We sincerely appreciate that interested candidates took the time to meet with us.” said Sarah Roy, GNOR VP of Political Affairs and incoming President.” “There were several outstanding presentations but in the end there was a clear choice for the group. We wish Ed Murray the best and hope that he can deliver on his promise of stable, efficient and effective government for the City of New Orleans.”
